Overview

Haymarket was founded in 1957 and is a magazine media publisher, publishing print and digital editions of monthly/weekly magazines as well as e-newsletters and desktop/mobile websites.

Haymarket UK has the following internal manuals used by journalists, of which copies are available on request by the Regulator:

The Editors' Code

Haymarket Code of Conduct

3.0 Compliance Procedures *How the Regulated Entity deals with:*

a Pre-publications guidance under regulation 4.5

Where required editors and journalists seek advice from IPSO in advance of publishing articles to consider matters of compliance with the Editors' Code. This advice is then considered alongside editorial guidance and the public interest when refining and publishing any articles.

b Verification of stories

Journalists and editors take all appropriate steps to confirm stories.

c Compliance with the Editors Code

Copies of the Editor's Code are supplied to all journalists, as well as copies listed on the intranet/shared drives. Where the Regulator finds against a publication in the course of assessing a complaint, the publication will comply with the findings and any remedial action required.

Editorial Complaints, Determined under Regulation 19

Haymarket Media Group has a standard complaints procedure across all publications, which is published on the website of each title. Members of the public can register an editorial complaint under this procedure by completing an online form, or by submitted a complaint in writing to the company address.

Complaints received in line with the published procedure, or referred from IPSO, are logged on a complaints record and then assessed by the responsible person, who will seek to resolve the matter with the complainant. Complaints that fall outside the procedure, i.e. are not editorial complaints, are logged and referred to the relevant department/person.

Where the Regulator finds against a publication when determining a complaint under Regulation 19, the publication complies with the findings and any remedial action required by the Regulator.

Training of Staff

When required, Haymarket arranges staff training sessions to update staff on regulatory changes. New joiners are supplied with a staff handbook and copy of the Editors Code.

Haymarket provides regular legal training sessions for its journalists to ensure that they adhere to the law. Those sessions reference the Editors Code, as do the more informal Legal Wednesday sessions we run with our lawyers.

4.0 Adverse Adjudications

There have been no adverse adjudications against Haymarket.
